### Applicant Letter of Understanding

The information furnished in your Statement of Personal History Packet and all the information supplied by you for the application process will be treated as confidential to the extent permitted by New Hampshire law and is to be utilized for the purpose of enabling the Belmont Police Department to determine your qualifications and to assist in the hiring decision. *The Statement of Personal History is the property of the Belmont Police Department and will not be returned to you.* 

Belmont Police Department obliges itself not to disclose background information submitted in confidence if the provider requests confidentiality, as there is a strong public interest in obtaining complete and accurate background information. Disclosure of confidential background information harms the public interest in making providers of background information reluctant to share this information, and thus encourages the hiring of employees who may have significant background issues that would have precluded employment had the information been known to the Belmont Police Department.

All questions must be answered completely and accurately. All statements in your Statement of Personal History Packet and statements made during interviews are subject to verification. When in doubt as to the necessity of listing information, it is recommended that the information be listed to preclude future questions regarding omissions from this form. The fact that you have been fired, have a criminal record, or have other negative background information may not automatically result in you being denied employment, if you truthfully disclose the information. Be aware that if any such information is discovered during the course of your background investigation that appears to have been withheld, and it should have been divulged up front, the background investigator will consider that this information was concealed by you with the expectation that the investigator would not find it. Any such omissions or any willful misrepresentations or falsifications of information may result in your application being rejected and you may be disqualified from this process; or if after your acceptance for employment, subsequent investigation should disclose misrepresentation, omission or falsification, it may be just cause for immediate dismissal.

I have read and understand the above information.
